First-Year Restricted Parking Exception Request Petition

Date: ____/____/____ Name of Student: _____

Net ID: _____ Cell Phone Number: _____

E-Mail Address: _____

First-year students are not permitted to bring a privately-owned vehicle to campus. This long-standing regulation applies to motorcycles and motorbikes as well and is strictly enforced. Exceptions to this policy are considered on a case-by-case basis and must fall under one of three reasons criteria; Emergency, Family or Medical.

Period exception requested: _____

This petition is considered confidential. Please check your exception below and follow the instructions as indicated.

_____ Emergency: On a separate sheet please describe in detail why the emergency requires access to a vehicle and parking on campus for the period requested.

_____ Family: On a separate sheet please describe in detail why the family issue requires access to a vehicle and parking on campus for the period requested.

_____ Medical: Please provide medical documentation that contains sufficient information to establish why the medical condition requires access to a vehicle and parking on campus for the period requested.

I, (print name) _____, acknowledge that all of the information provided by me in this restricted parking exception petition and attachments is true and correct and that, if the exception is granted, I will register my vehicle with Transportation Services and park in only designated areas.
